FOR IMMEDIATE RELEASE:

**PREORDERS LIVE FOR "I AM SAVED" DEBUT COUNTRY RADIO
SINGLE FROM GRAMMY® NOMINATED SONG WRITER
AMANDA COLLEEN WILLIAMS**

NASHVILLE, TN, February 14, 2020

"I Am Saved" the debut radio single for multiplatinum awarded songwriter Amanda Colleen Williams is now available for pre-order on digital music retailers Amazon Music Unlimited, Spotify, and Apple Music.

The song is part of an album project *Hillbilly Collection* that explores themes of hillbilly culture from Williams' own family and in J.D. Vance's best-selling book *Hillbilly Elegy*.

Williams' songwriting credits include "She's Tired of Boys" recorded by collaborator Garth Brooks on Man Against Machine, and "Beer Run (B Double E Double Are You In?)" the Garth / George Jones duet nominated for 2001 Best Country Collaboration with Vocals Grammy®.

"*I Am Saved*" is one of those wish fulfillment songs that comes at the beginning of an epic adventure," said Williams, "it celebrates this life and the hereafter, and reminds us that our salvation is guaranteed. We only have to claim it."

The single is being delivered to Mainstream Country Radio, Classic Country, and satellite radio through CDX Nashville, and will be available for radio stations and CMA International Member DJs in Europe, Asia, Australia and Canada to access digitally starting Monday, February 17.

Preorders are currently live on select digital music retailers leading up to the release date in early April.

For interview requests during CRS 2020 Nashville, please contact Todd Alan at Hillbilly Culture LLC at store@hillbillyculture.com or call +1 (615) 720-8882.

###

About Amanda Colleen Williams:

Amanda Colleen Williams is an awarded songwriter and music publisher with songs on albums certified at 17 million sales by the Recording Industry Association of America®, including "She's Tired of Boys" written with Garth Brooks.

As an educator and entrepreneur, Amanda is a successful business owner, and is regularly called on to speak as a non-attorney copyright expert at government institutions including the United States Patent and Trademark Office (USPTO) and U.S. Embassies and Consulates worldwide.

She is currently piloting a program with the U.S. Department of State called Arts Envoy IPR, combining arts diplomacy and intellectual property rights education.
